

You've lost
your keys.

You've eaten
too much.

You've missed
your bus.

You've broken your
computer.

You've fallen
off your bike.

You've been
lying on the
beach.

You've been
playing
volleyball.

You've been
gambling.

You've fallen
in love.

You've climbed
Mount Everest.

You've hurt
your knee.

You've run in
a marathon.

You've
forgotten
your name.

You've met
an alien.

You've seen
a ghost.

You've eaten
an octopus.

You've been
windsurfing.

You've been
studying Italian.

You've seen an
exciting movie.

You've milked
a cow.
