

If you were
an astronaut

If you were
a movie star

If you lived
in France

If you lived
in India

If you were
an alien

If you were a
hippopotamus

If you had
a submarine

If you had
a helicopter

If you were
the president

If you had
no money

If you were
a banana

If you were
an octopus

If you had
three legs

If you had
a tail

If you broke
your leg

If you saw
a ghost

If you
lived alone

If you
could fly

If you had a
time machine

If you were
a vampire
