Sweden

Hello. I'm Christina. I live in Stockholm. Stockholm is the capital of Sweden.

Only about nine million people live in Sweden, but it's bigger than Japan! It's a little smaller than Spain.

My father is a teacher and my mother is an engineer. My mother sometimes goes to Britain and Canada, so she is good at English.

I'm not very good at speaking English. But I love writing English e-mails to my friends! I like my computer better than my toys and dolls. And I send English e-mails to my friends every day.

My dream is to have friends in every country. I want all children to speak and write English, so children all over the world can be good friends. I want the world to be happier than now. And I dream we can all live in peace.

6 little ducks, 1 by 1.

Fatter ducks, thinner ducks, all have fun.
And 1 little duck with feathers on his back,
Is feeling very hungry. Quack, quack, quack!
Quack, quack, quack! Quack, quack, quack!
Is feeling very hungry. Quack, quack, quack!

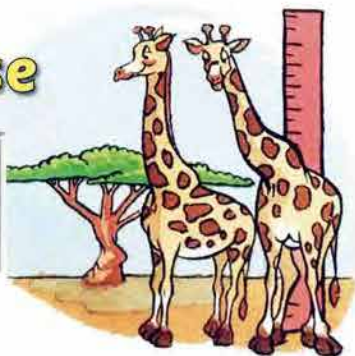

Now they're going home 1 by 1.

Bigger ducks, smaller ducks, all have fun.
And 1 little duck with feathers on his back,
Is feeling very tired. Quack, quack, quack!
Quack, quack, quack! Quack, quack, quack!
Is feeling very tired. Quack, quack, quack!
